Details of Teacher's Training:

The School has conducted four-day Capacity Building Programmes from 20/05/2025 to 23/5/2025. The topics covered during the CPD are EFFECTIVE TEACHING STRATEGIES, CLASSROOM MANAGEMENT, HAPPY CLASSROOM, NUTRITIONAL LITERACY, MENTAL HEALTH AND EMOTIONAL WELLBEING & METHODS OF ASSESSMENT AND EVALUATION.

30 teachers of our school who are teaching from 1 Std to 10 Std were the participants.

Academic Achievements:

Our school is continuously producing 100 % quality result in academics in Grade 10th and other Grades. Our students also participated in various sports events, which was conducted by SSSC and won many prizes.

The academic year commenced with the Teachers' Orientation Programme from May 20th to May 23rd.

We celebrated World Environment Day on June 5th. Secondary level students participated in activities like planting saplings, cleaning the school garden, watering and manuring the plants, and awareness activities like songs, skit were also performed by primary level students. The International Yoga Day was observed on 21st June. All the students and teachers from class 5th to 10th participated in it. They all arrived in school at 8:00 a.m. and arrangements were made in the school ground to perform various asanas.

On July 1st we observed world doctors' day by visiting taluk hospital, our students greeted the doctors with handmade greetings.

Investiture ceremony is the capacity to translate the vision into a reality, prefect body election was held, where the student's council for the academic year 2025-26 was set up. It is a representation structure of students through which they become involved in school activities and organize various events during the academic year. Students cast their power through ballot paper.

On July 15 we had investiture ceremony to fix the badges for the prefect body members, also handover the responsibilities to our students.

Our students of class 9th & 10th participated in State Government's INSPIRE Programme in which they presented innovative projects.

We have always been committed in forming an environment in school that helps the young minds to blossom and provides a platform for individual thinking and holistic development of the child's personality. We set ethics and goals for ourselves and strive to achieve them in the areas of academics, sports, discipline, leadership and more.

Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great.

Parents orientation programme JNANA SETHU was held in Samskruthika Bahavana on 29th June. Students and parents of class IX to X attended the programme. The program made the parents aware of the scheme of education, how to concentrate on studies, and how the students can select their career, etc. The basic focus of the session was changing mindsets of the students in education. We invited sadhana academy founder Mr. Manjunath and Mr. Mahesh Masal for this programme. They motivated our students to focus on studies and select their career on their wish.

It was a great opportunity to organize Mathematics workshop on July 6th for all Mathematics teachers of CBSE schools in Shimoga under the SSSC. We conducted various activities for the teachers to equip themselves in teaching Mathematics. On the same day remaining subject teachers of our school also attended one day workshop in different CBSE Schools. On July 17th college students had been to Shivamogga for pharmacy visit.

Hard work and determination have made the dreams of students to materialize in the interschool competitions that was conducted in CBSE Schools. Our students participated in the Sahyadri Savodaya School Complex Literary Competition that was held in Jnanadeepa school Javalli and our students won many prizes. On September 14, Chess competition was held at St Norbert School, Koppa and got the certificates. On October 26, inter-school volleyball competition was held at Hongirana School of Excellence. Our students participated in the event and got the certificates. The school itself organized number of

inter-house competitions for the academic year. The winner of this year is the RED HOUSE.

SCM CBSE celebrated Independence Day on 15th August 2025 to remember the pride martyrs of our nation, and on August 16, LKG, UKG, and first standard students participated in the Sri Krishna Janmashtami program held at SCM State School.

In order to provide quality education in schools, teachers need frequent training to make the classroom more effective and interactive which was effectively made every Friday of the week through detailed discussions and doubt clarifying sessions.

We celebrated Teachers Day on September 5th. On Constitution Day our students have made a human chain to show the importance of the constitution and the power of democracy, and on September 25th college students participated in the youth parliament and received participation certificates. We celebrated Gandhi Jayanti on October 2nd, then we celebrated Valmiki Jayanti on October 17th & On November 1st we celebrated Kannada Rajyotsava.

On the same day we have organized “Science Fest” for our students and developed different innovative science models and that helped students in developing scientific sense.

On the occasion of children’s day, annual sports meet was conducted on November 14 in the school premises in order to ignite the young talents and make them the best in the competition.

On November 16th and 23rd we have organized an innovative programme called “Manadala”, it’s a brain child programme of our founder Sri Chennaiah sir. It is an interview programme with renowned persons in the society.

November 18th is the day to remind us, our traditional way of living in all aspects of our life. Hence, we celebrated Traditional day by wearing traditional dresses. We have celebrated the Kanakadasa Jayanthi on same day. Colours day is another kind of modernization in our school. All the children and teachers were allowed to wear different colour dresses to celebrate pink day, yellow day and white day. We are all living in a contemporary world where people invest their money in share market and mutual funds, some are earning and some are losing in that. To taste this futuristic vision and awareness of the profit and loss,

we have organised the children's carnival. Parents and students happily participated in it.

To have a good relationship with parents, teachers and students the Parent Teacher Association was constituted in the school. Through PTA school has organised Parent Teacher Meetings every month, where in parent's orientation, awareness programmes, discussions on academic progress, handling children effectively, positive mindset and sports activities were done. The meetings are held at different levels and parents participated enthusiastically. We have organized Sports activities for Parents on November 24th. Parents played different fun games and won the Prizes.

The School Management Committee is another unit which strengthens the school activities and participated in school functions. The SMC activities include regular meetings, monitoring the school activities, participating and guiding the activities organised in school.

Our aim is to be one of the leading schools in the community. It serves known and widely acknowledged as a secular institution which develops character and ethical leadership among students in their pursuit of excellence. We hope SCM CBSE will be recognized as a model for excellence in all the fields and promising to provide quality education. I sincerely thank to MRS. Geetha Channiah ma'am who has been continuously supporting all these activities with great passion and wisdom. SCMVS family runs in an innovative fashion because of her guideless motivation and determinations.

In a nutshell it can be concluded in this report by saying:

A child's smile is life's sweetest gift. Let's protect and cherish it always. May every child grow with the freedom to dream big and the courage to make it real.
